## Patient's Stage IV Cancer Vanishes during CIRM-Funded Clinical Trial

This video tells the inspiring story of Tom Howing in his own words. Howing took part in Forty Seven, Inc.'s CIRM-funded clinical trial that's testing an innovative treatment for cancer.

In the two minute video, Howing gives his personal perspective on his cancer diagnosis, the promising but ultimately disappointing results of standard anti-cancer treatments and the remarkable results he's experienced from Forty Seven's clinical trial.
